

SECTION III
EQUAL EMPLOYMENT OPPORTUNITY POLICY
41 C.F.R. §60-1.4; 60-2.13(a)

The employment policy of Genesis Attachments, LLC ("Genesis") is to provide equal opportunity to all persons. Our company, therefore, has made a commitment to equal employment opportunity through a positive and continuing Affirmative Action Program. No employee or applicant for employment will be discriminated against because of race, color, religion, sex, national origin, age, or otherwise qualified disabled or veteran status.

To implement these policies, Genesis will continue to:

- A. Recruit, hire, train, and promote persons in all job classifications without regard to race, color, religion, sex, national origin, age, or otherwise qualified disabled or veteran status. Genesis does not discriminate on the basis of national origin or citizenship status, as provided under the Immigration Reform and Control Act of 1986;
- B. Base decisions on employment so as to further the principle of equal employment opportunity;
- C. Ensure that promotion decisions are in accord with the principles of equal employment opportunity by imposing only valid requirements for promotional opportunities;
- D. Ensure that all personnel actions (including, but not limited to, compensation, benefits, transfers, layoffs, return from layoffs, company-sponsored training, education, tuition assistance, social and recreational programs) are administered without regard to race, color, religion, sex, national origin, age, or otherwise qualified disabled or veteran status.

Cindy Lundgren has been designated EEO Coordinator and is responsible for compliance with state and federal equal employment opportunity laws and for implementing the affirmative action program, including equal employment practices, monitoring, and internal reporting. Employees believing they have not been treated in accord with this policy are encouraged to contact Cindy Lundgren.

The continued success of our Affirmative Action Program requires maximum cooperation from every employee throughout our organization. Equal employment opportunity is not only the law, but it is a principle of Genesis. Your cooperation is expected to achieve this goal and I personally stand behind this principle.
